DEGREASING AND CLEANING

# CLEAN SHIP

CLEANING AGENTS BASED ON ADVANCED ENVIRONMENTAL TECHNOLOGY

**Cleaning and degreasing of deck, tank and cargo hold, engine room and other areas onboard. High quality products covering your needs for removing rust, soot, limescale and degreasing machinery, tools, filters and pumps without compromising on safety or the environmental impact.**

## MAXI3 All-round

All-round degreaser and cleaning agent. May be used for hand washing and degreasing. Mix with water and it will foam up. Hot water increases the effect.

Item No.: 11113x  
Unit sizes:  
1L, 5L, 10L, 20L, 210L

## Alvask OFFshore

Special detergent for degreasing and cleaning in the offshore industry. Machinery, tools, filters, pumps, etc. May be used for hand washing and degreasing. Optimal effect in pressure washer. Mix with water. Hot water increases the effect. Approved: OSPAR/HOCNF

Item No.: 11040x  
Unit sizes:  
10L, 20L, 210L, 1000L

## Alvask Heavy OFFshore

Special detergent for heavy-duty degreasing and cleaning within the offshore industry. Machinery, tools, filters, pumps, etc. Optimal effect in pressure washer. Mix with water. Hot water increases the effect. Approved: OSPAR/HOCNF

Item No.: 11044x  
Unit sizes:  
10L, 20L, 210L, 1000L

## Ultra B

Acidic rust, soot and limescale remover. Effectively removes rust and dirt on iron or steel surfaces as well as discolouration of aluminium parts. Mix with water.

Item No.: 11191x  
Unit sizes:  
10L, 20L, 210L

## Nocor Rust Remover

Strong acidic rust remover. Removes rust from steel and iron surfaces. Neutralises rust. Mix with water. Can also be used undiluted.

Item No.: 11189x  
Unit sizes:  
10L, 20L, 210L

## Prior Solvent E

Cold degreaser, engine wash. Degreasing of tools, pumps, etc. Cleaning tanks / parts washer. Use undiluted. Must not be heated.

Item No.: 12092x  
Unit sizes:  
10L, 20L, 210L

Besma International Chem a/s – a Danish chemical plant established in 1976. We develop, manufacture and sell detergents to the industrial sector and private consumers.

We provide advice and guidance to customers to minimise the load on both the working environment and the natural environment. We are environmentally certified in accordance with ISO 14001, which for us comprises the environment and consumer opinions.

### Green transition with a green solution.

Under the slogan of 'a green solution', we are flying the flag for cleaning agents with the lowest possible environmental impact.

**Environmental thought | Environmental action | Environmental choice**
